Dear Mrs Comber

APPLICATION TO THE HAMPSHIRE COUNTRYSIDE ACCESS FORUM

Further to your application I regret to inform you that, on this occasion, you have not been selected for membership of the Hampshire Countryside Access Forum.

We were fortunate to receive a large number of high quality applications, and had to balance the backgrounds and interests of individuals carefully in order to achieve the overall balance needed for the Forum. We recognise that you have good local knowledge and extensive experience in a variety of matters relating to countryside access. Your ability to represent your secondary interest was also noted to be particularly strong. Unfortunately however, we were unable on this occasion to appoint some applicants with significant merit due to the constraint on the overall number of Forum members and the need for a balanced representation of interests upon it.

As requested in July I have added you to the list of observers, so you will continue to be kept up to date with the work of the Forum.

Please do not hesitate to contact me regarding any of the above.

Yours sincerely

Amanda Hull
Countryside Access Development Officer
